We would like to maximize each member's contributions to the Foundation. Please fill out a short survey of your potential interests, background and networking ties. This will provide us with important information to plan both short and long-term fundraising activities. Any interest, skill or talent will be meaningful to the Foundation as it develops over time.

My interests in volunteering include (check as many as apply):

1. Soliciting or Coordinating Donations

It is important to have a list of members who may be potential resources for directly donating items from their business or hobby and/or who may have close connections with businesses, merchants, vendors and associations who would donate items for fundraising. All items are tax deductible under the Foundation's IRS tax-exempt number. A letter will be provided to the donor for tax deduction purposes.

- 1) Please return this form to P.O. Box 512, North Scituate, Ma 02060 or email the necessary donation solicitation information to corsefoundation@comcast.net
- 2) A Foundation Board Member will then contact you with (1) the Foundation's official donation tax-exempt letter, (2) the official donation form for Foundation tax records and (3) brief guidelines for solicitation
