Money raised for two causes

Hatherly Elementary School's Student Government has generously donated \$560 to the Wounded Warrior Foundation and C.O.R.S.E (Community of resources for special education). Funds were raised through various activities throughout the school year

for the Wounded Warrior Foundation. We were very excited that Hatherly had 100 percent participation at our school.

After the funds were raised, our student government voted on numerous charities and these two worthy causes were chosen that

are in the Navy, generously donated money toward the Wounded Warrior Foundation on top of the funds already raised for this worthy cause.
